GOT SCHOOL MILK PACKAGING?

NEED PACKAGING SOLUTIONS? TRUST US TO DELIVER YOURS.

Carton Service CSI, LLC manufactures of liquid gable top cartons & folding cartons for regulated industries. Cartons for dairy products and ice cream mixes can run on any filling and sealing equipment. We do specialize in 4 and 8 ounce sizes and many different configurations.

We are in a great position to take on new business thanks to our state-of-the-art large format offset and flexo equipment that was just installed – we have plenty of capacity.

DIFFERENTIATORS:

- Over a dozen patents on gable-top containers to get your product to market faster
- Agile, compliant and innovative
- In-house design and packaging structure teams
- Turn-key project management for better quality control and responsiveness
- Considered an SBA small business

CORE CAPABILITIES:

- Liquid/Dairy filled gable-top cartons
- Direct food contact cartons
- Gable-top cartons for other contents—soap, semi-solid foods like cole slaw and potato salad, and more

ADDITIONAL CERTIFICATIONS:

- Ohio Department of Agriculture Interstate Milk Shippers certification to produce “Grade A” dairy containers
- FSC-Certified® FSC-C182277
- Ecovadis Bronze Rating
- B Rating on Carbon Disclosure Project (CDP)
- Sustainable Packaging Coalition Member
- Compliant with the FDA
- Cage Code 4AVM3
- Employs rigorous QA processes and cGMP quality systems

NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS):
